

## The Longhunter Pin Program

Now successful hunters can proudly display a detailed commemorative lapel or hat pin representing the species they have taken. Pins are available for deer, pronghorn, elk, caribou, bear, turkey, and flintlocks. Whether or not your animal qualifies for the *Longhunter Muzzleloading Big Game Record Book*, you can reward yourself for a successful muzzleloading, fair-chase hunt by ordering the appropriate pin.

Pins are \$10 each, post paid, and you can order one for every big game animal you have taken. This program requires no measurement or entry forms, and operates entirely on the honor system. All that's needed is a photo featuring you, your muzzleloader, along with your animal. Some photos will be featured quarterly in *Muzzle Blasts* magazine. Order your pins with the form below.
