Dear Youth Shooter:

The National Muzzle Loading Rifle Association would like to invite you to the **15th Anniversary** 2017 NMLRA National Youth Shoot. This event will be held at the Walter Cline Range in Friendship, Indiana from July 8-9, 2017.

Come join the fun at the National Youth Shoot. Kids of all ages will have a great time learning to shoot or improving their skills. Participants may compete until their 18th birthday. A parent or adult must assist and supervise all children under the age of 16. **The Top Overall Shooter on Saturday will win a muzzleloading rifle donated by an anonymous donor.**

The Overall Aggregate will consist of the following events: Muzzleloader, Pistol, Shotgun, Air Rifle and .22 Cal Woodswalk. All shooters must complete these 5 events on Saturday to be eligible to win the custom-built muzzleloader.

Kids are welcome and encouraged to bring their own shooting equipment. We will be shooting air rifles, 22 caliber rifles, muzzleloaders, shotguns, pistols, paintball guns, archery and throwing tomahawks. Guns, bows and tomahawks will be provided for those who don't have one.

The entire family is welcome to be a part of this event. Cost is only \$20.00 per child. Each shooter will be recognized with a special award at the awards ceremony. Mark your calendar today and call the NMLRA office to pre-register.

Camping is available in our new Frontier Village modern campground as well as our primitive sites. Call the office to reserve your site. **If you have any questions, please contact Jeff or Krsisty Nunn at 317-361-9053, knunn1604@yahoo.com or Lora in the NMLRA office at 812-667-5131, lparks@nmlra.org.**

We look forward to seeing you in July!

Directions

From Cincinnati, Ohio

I-275 to the Lawrenceburg Exit to State Highway 50 West. Take State Road 62 West at Dillsboro, Indiana and this will bring you to the Walter Cline Range which will be located on your right (do not confuse the range with the large flea market that you will pass first).

From Indianapolis, Indiana

Take I-74 East to Greensburg, Indiana. Exit on Highway 421; take 421 South to Versailles, Indiana. Continue on 421 to State Road 129 South. Follow it to State Road 62 East, follow this through the town of Friendship and the Walter Cline Range will be located on your left.

From Louisville, Kentucky

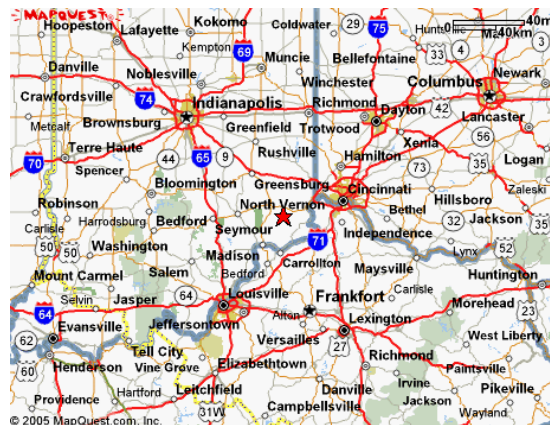

Go to Madison, Indiana. Take State Road 421 North, passing through the small town of Rexville, Indiana, as you are going out of town turn right onto Rexville Road #800 (this is a county road - if you are driving an RV or large mobile home we suggest that you go ahead and follow 421 to Versailles and follow the directions from Versailles). Cross Highway 129 to State Road 62 East, follow this through the town of Friendship, the Walter Cline Range will be located on your left.

Attention: If you normally travel through Dillsboro, highway 62 is now open!

Alternate route #1: Continue on State Highway 50 to Elrod, turning left (South) onto Friendship Road (by Helena Chemical Company).

Alternate route #2: Continue on State Highway 50 going to Versailles, turn left (South) at the stoplight onto State Highway 421. Continuing approximately ½ mile, take State Highway 129 (turning left at the Indiana State Police Post). Travel approximately 10 miles coming into the town of Olean, turn left onto Olean Road (if you pass the Lutheran Church you missed Olean Road!). At the end of Olean Road take a left onto State Road 62 which will take you into Friendship.

Alternate route #3: If you prefer to stay on a two-lane highway to get to Friendship, instead of turning onto Olean Road, stay on State Highway 129 (approximately 5 miles) and turn left onto State Road 62 which will take you into Friendship. Best route to take if you are pulling a large unit.
