

Attention All Shooters! NMLRA Postal Matches

by Winston Roland

Registration for the 19th Annual National Postal Matches is now open and will remain open until August 31, 2015. The registration form appears below. A photocopy is also acceptable; however all signatures must be original.

The top three winners from each of the nine NMLRA regions and internationally, for both rifle and pistol, will be announced in *Muzzle Blasts*. The top three winners overall for both rifle and pistol will each receive a national medal.

The National Postal Matches are open to all current members in good standing. The competitions will consist of a four-target, 200-point offhand rifle aggregate and/or a three-target, 260-point pistol aggregate. Rifle competitors may use any safe muzzleloading rifle of either traditional or modern design. Pistol competition is open to any safe muzzleloading pistol or revolver, traditional or modern in style.

Projectiles may be round ball, bullet, or sabot. Sights for both will be any metallic sights which include peep sights, but not telescopic sights. All rifle matches are to be shot offhand, and pistol matches shot with one hand, arm extended. Distances will be 25

yards, 50 yards, and 100 yards for rifle, and 25 yards and 50 yards for pistol. All competitors will score their own targets and complete their score sheets. The scores will be checked by the Postal Match Committee.

The results of the 2014 Postal Matches are in. This was a great opportunity to compete on a national level, and has become a way of competing with old friends and new, too distant to compete with locally. As with all shooting, the real competition is with yourself. To keep things as affordable as possible, we offer the matches with or without the overlay. The 2015 Aggregate fee will be \$11.00 with the overlay, \$10.00 without it.

Here is the 2014 finishing order from each of the nine NMLRA regions for Rifle and Pistol:
