Dear NMLRA Member,

December 10, 2021

**FREEDOM IS FRAGILE!**

*"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same."* Ronald Reagan 1961

I lived thru World War II and Korea, flew combat with the USAF in Vietnam, prayed for our service men and women deployed in Iraq, Afghanistan, and other trouble spots around the world. I HAVE NEVER BEEN MORE CONCERNED THAN I AM NOW about the survival of our country as we know it, our culture, and our muzzle loading heritage.

I truly believe that the National Muzzle Loading Rifle Association is a national treasure that must be protected and supported to ensure that the muzzle loading heritage that we all love and cherish is passed intact to future generations of Americans. I urge you to consider helping to protect our heritage of muzzle loading by joining the 1 of 1000 Endowment. Your donation will be part of a permanent resource to help the NMLRA achieve this goal. Your name added to the rolls will publicly demonstrate your support.

I request current 1 of 1000 members to consider making your spouse, child, grandchild or friend, a 1 of 1000 member.

We never regret doing the right thing.

Keep your powder dry,

1 of 1000 Endowment Chairman
